Why **Premium Know How**?

- Extremely high pass rate in certifications
- Extraordinary positive seminar feedback from course participants
- Very competent and qualified trainers with long-standing project and training experience
- All exercises are based upon real life scenarios that are directly applicable in the participants' day-to-day work
- Regularly scheduled workshops, thanks to a wide range of reliable cooperation partners

All **Premium Know How** trainers are certified Senior Project Managers (IPMA Level B®) and GPM accredited trainers. They have extensive and long-standing experience in the management of complex projects in various fields. Apart from their trainer function, they regularly work as project managers or coaches. Their field experience allows them to contribute examples and share their experience for the benefit of the participants.
